Family Membership

Join SLR as a member family

One plan: **\$60 a year per household**. Your 12 months start at your family's first SLR event, so nothing is wasted while you wait for one.

The rules (v1.0)

- **\$60 a year per household.** One membership covers your whole family. SLR is a 501(c)(3) nonprofit, and eligible contributions are tax-deductible.
- **Your 12 months start on the day of your family's first SLR event**, so no time is lost between joining and coming to something. For example, with a first event on November 1, you are members until the end of the following October.
- **What members get:**

- **Member-exclusive talks and resources:** small talks, and family education resources such as the Private School & Public School Gifted Program Application Guide;
- **Priority registration:** members register first for popular programs with limited places, such as Mushroom Foraging, Hiking & Biking, Field Trips and the Easter Egg Hunt;
- **Sports Carnival tickets:** SLR holds a Summer and a Winter Sports Carnival each year, and every member family has two child tickets for **each one**, with parents free. Use them yourselves or give them to friends;
- **a free Flea Market vendor spot;**
- more benefits are added over time and announced in the members' group.

Three ways to join

Any of these, bringing SLR \$60 in all, makes your family members for a year. On the Membership page, under **Three ways to join**, choose one of them. The page then shows that way's steps, and only those:

Three ways to join

Choose the one that fits your family, then follow its steps. Each adds up to \$60 of support for SLR and makes your family members for a year.

CHOOSE ONE

☒ **Pay \$60 online** Most families

You're a member within minutes.

☐ **Company donation match**

Your donation to SLR plus your employer's 1:1 match come to \$60.

☐ **Volunteer hours**

Your volunteer hours for SLR, counted in dollars, come to \$60.

Pay \$60 online: three steps

You pay on this page, in a form from Zeffy - the free payment platform SLR uses. All of your \$60 reaches SLR.

1 Before you pay: three things to know

Zeffy Tip (Optional)

Zeffy adds a 17% tip for itself, under "Help keep Zeffy free for Seattle Little Rangers", so its total first shows **USD 70.20**. This tip goes to Zeffy, not Seattle Little Rangers. To pay only the \$60 membership fee, choose **Other** in that dropdown and enter 0.

[See what that looks like in the form](#)

Your email

Pay with the email you register for SLR events with. It's how we recognize your family.

Use WeChat? Your WeChat ID

Give your WeChat ID (微信号) in the form: it's on WeChat's Me page, under your name - not your nickname. No WeChat? Leave it empty.

We add member families to SLR's members' WeChat group by WeChat ID, and WeChat only lets us find you if you allow it. In WeChat, go to **Me** → **Settings** → **Friends' Permissions** → **Methods for Friending Me** (我 → 设置 → 朋友权限 → 添加我的方式) and turn on **WeChat ID** (微信号).

Choosing a way to join

Pay \$60 online

Most families join this way, and it takes a few minutes. You pay on the Membership page itself, in a form from Zeffy, the free payment platform SLR uses for memberships, event tickets and donations. The SLR website never sees your card details.

1. Choose **Pay \$60 online**. Its first step has three things to know before you pay, its second says that after paying there is nothing more to fill in, and the form is inside its third and last step:

3

Fill in the form and pay

- Press **Add**, then **Continue**. Zeffy calls a membership a ticket; one covers your whole family.
- Where it asks for a family name, give the name we should call your family, such as The Chen family. It needn't be anyone's last name.
- If you use WeChat, give your WeChat ID where it asks for it, not your nickname.
- Summary**: set the tip to **Other** and 0, and the total is USD 60.00. Then pay, give your email and name, and press **Buy tickets**.

2. In the form, press **Add** on **Annual Family Membership** (\$60), then **Continue**. Zeffy calls a membership a ticket; one covers your whole family.

3. Fill in what appears next, from top to bottom:

- **Questions**: for the family name, give the name we should call your family, such as The Chen family. It doesn't have to be anyone's last name. If you use WeChat, give your **WeChat ID** (微信号): it's on WeChat's Me page, under your name, and isn't your nickname. No WeChat? Leave it empty.

- **Summary:** the total first shows **USD 70.20**, because of a line “**Help keep Zeffy free for Seattle Little Rangers (optional)**”, set to 17% (\$10.20). That is a tip for Zeffy. It **doesn't go to SLR** and is not part of the membership fee.

4. Press **Buy tickets**. The form shows Zeffy's thank-you when your payment has gone through.

That is all: **there is nothing more to fill in on the SLR website**. Zeffy emails you a receipt, and the welcome email arrives within a few minutes of paying.

Apple Pay or Google Pay: the form on the Membership page can't always offer them. Under it, **Pay on Zeffy's own page** opens the same form on Zeffy's website, which can. Use that link too if the form doesn't appear on the page. It looks like this, and is filled in the same way:

The screenshot shows a mobile-optimized form for the Seattle Little Rangers Family Membership. At the top, there is a header with the Seattle Little Rangers logo and name. Below this is the main title 'Seattle Little Rangers Family Membership' in a large, bold, dark green font. Underneath the title is a subtitle 'Seattle Little Rangers Family Membership' followed by a family icon and the text 'Join the Seattle Little Rangers community and enjoy More details' with a green arrow icon. The main content area is a rounded rectangle with a green border. Inside, the title 'Annual Family Membership' is followed by the price '\$60' in a large green font. Below the price is a description: 'One-year Seattle Little Rangers Family Membership with access to member benefits and priority'. There is a 'More details...' link in green. At the bottom of this section are three buttons: a green minus button, a white button with the number '1', and a green plus button. Below this section is a light green box with a lightbulb icon and the text 'Did you know? We fundraise with Zeffy to ensure 100% of your purchase goes to our mission!'. At the very bottom is a large green button with the text 'Continue (1) →' and three small heart icons on either side.

A company 1:1 donation match, or volunteer hours

Your donation plus your employer's match come to \$60, or your volunteer hours for SLR are worth \$60. Instead of paying, you send an application:

1. Under **Three ways to join**, choose **Company donation match** or **Volunteer hours**. The application appears:

CHOOSE ONE

☐ **Pay \$60 online** Most families
You're a member within minutes.

☒ **Company donation match**
Your donation to SLR plus your employer's 1:1 match come to \$60.

☐ **Volunteer hours**
Your volunteer hours for SLR, counted in dollars, come to \$60.

Join with a company donation match: three steps
You send us a short application instead of paying the \$60 fee.

Already paid the \$60? Then you are a member. This form isn't for you, and there is nothing more to send.

1 Donate to SLR and ask your employer to match it
Make your donation - on our [Donate page](#) or through your employer's giving program - and ask your employer for its 1:1 match. Together they need to come to \$60.

2 Tell us about it

Email

The one you register for SLR events with - it's how we recognize your family.
WeChat ID (optional)

Phone (optional)

Use WeChat? Let us find you
We add member families to SLR's members' WeChat group by WeChat ID, and WeChat only lets us find you if you allow it. In WeChat, go to **Me** → **Settings** → **Friends' Permissions** → **Methods for Friending Me** (我 → 设置 → 朋友权限 → 添加我的方式) and turn on **WeChat ID** (微信号).

Your company, and how the match adds up to \$60

3 Send your application
We check it and email you your Member ID and Sports Carnival tickets, usually within a few days.

The application

2. under **Family display name**, give the name we should call your family (such as The Chen family), then your own name, your email (again, the one you register for events with) and, if you use WeChat, your **WeChat ID** (微信号, on WeChat's Me page under your name - not your nickname);

3. say which company and what amounts, or when you volunteered and at which events, and press **Send application**.

We check it and email you a welcome, usually within a few days. If you have paid the \$60, you don't need this application.

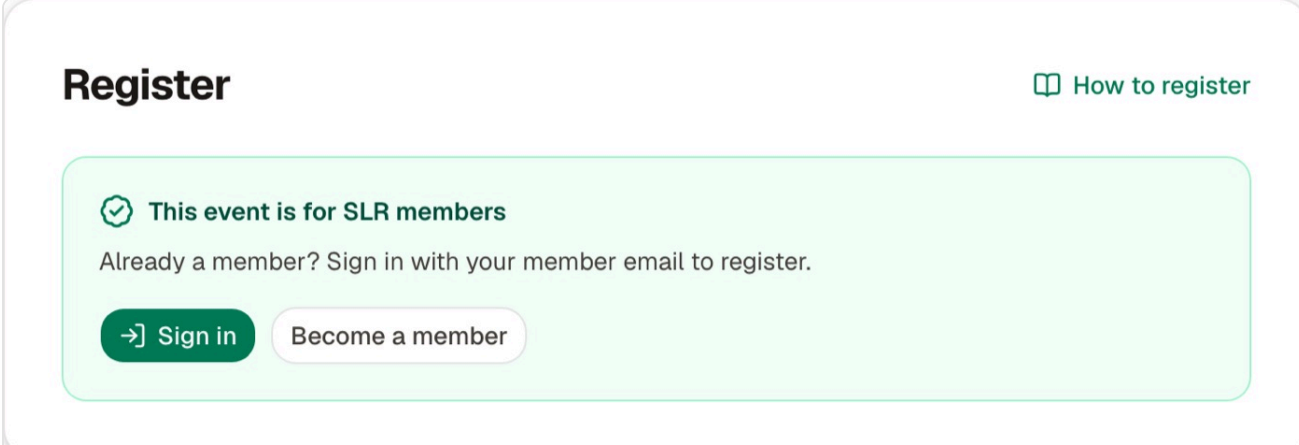

On any form on the website, if something is missing when you press its button, the page says what, in red, under the field it is about.

Once you have joined

- **The members' WeChat group:** if you gave us your WeChat ID, we add you to it by that ID. WeChat only lets us find you if you allow it: in WeChat, go to **Me** → **Settings** → **Friends' Permissions** → **Methods for Friending Me** and turn on **WeChat ID**. If we can't find you, we'll email you.
- **The welcome email** has your family's **Member ID** (such as SLR-0001; it is for the whole family and stays the same every year) and two **Sports Carnival ticket codes**. Both codes work at every Carnival, once at each.
- Sign in on the website with that email, and the top of **My registrations** (top right) is your membership card: your ID, how long the membership lasts, and your tickets. For how to sign in, see [Signing in and "My registrations"](#).
- Before your first event, the card says "Your 12 months start at your first SLR event". Your benefits already apply.

Registering for members-only and members-first events

On these events' pages, anyone not signed in sees a notice about membership instead of the form:

The screenshot shows a registration interface. At the top left is the word "Register" in bold. At the top right is a link "How to register" with a document icon. Below this is a light green rounded rectangle containing a green checkmark icon and the text "This event is for SLR members". Underneath that is the text "Already a member? Sign in with your member email to register." At the bottom of the green box are two buttons: a green button with a right arrow and the text "Sign in", and a white button with a grey border and the text "Become a member".

The notice on a member event

Press **Sign in** and sign in **with your member email**, and the form appears.

- If the page says “has no SLR membership”, the email you signed in with isn’t the one on the membership (the other parent’s, perhaps). Press **Sign in with another email** and use the member email.
- A members-first event says “Members first until ...” at the top of its page. From that time, anyone can register.

Renewing

- We email you a reminder 30 days before your membership ends.
- Renewing works the same way as joining: pay \$60 again on the Membership page with the same email, or send the application again.
- A renewal adds 12 months **from your current end date**, and your ticket codes stay the same and carry on working at every Carnival. You lose nothing by renewing early.

Refunds

Membership fees aren’t refunded. In special circumstances you can ask to have your membership extended instead; SLR decides each case.

SLR has the final say on how these rules apply, and announces any change in the members’ group. Questions? Email SeattleLittleRangers@gmail.com.
